Support Older Adults and Adults with Disabilities Live with Dignity!

SAN FRANCISCO DEPARTMENT OF AGING AND ADULT SERVICES

What is the Dignity Fund?

In November 2016, San Francisco voters passed Proposition I to establish the Dignity Fund. This legislation supports the health and well-being of older adults and adults with disabilities. Currently, we are in the planning phase of the Dignity Fund.

USE YOUR VOICE!

We are holding community forums **to hear from you** about the needs of older adults and adults with disabilities living in SF. It is a chance for you to help your City and County plan how to spend the Dignity Fund. We want to hear from you about the strengths, challenges and gaps of current services to inform future services and allocations. With your input, we can **expand important services for older adults and adults with disabilities in our community.**

For more information, please contact Melissa McGee, Melissa.mcgee@sfgov.org, 415-355-6782.

RAFFLE and PRIZES at each event!

Take our online survey going live mid-November:
