The Department of Aging and Adult Services (DAAS) requests authorization to renew the existing grant with Felton Institute for the period from July 1, 2017 to June 30, 2018, in the total grant amount not to exceed \$51,188. The purpose of the grant is to fund the Community Liaisons program to greet and provide basic service information to individuals entering the DAAS Benefits and Resource Hub.

Background

Since the opening of the DAAS Benefits and Resource Hub at 2 Gough, the department has identified a need for Community Liaisons who will assist on-site staff to aid seniors and adults with disabilities in finding appropriate services within the new center. The DAAS Benefits and Resource Hub was established to serve as a ‘brick and mortar’ service center for residents of San Francisco needing to access the variety of services administered by the City of San Francisco’s Department of Aging and Adult Services. Since these services are targeted towards individuals 60 years of age or older or individuals between 18 and 59 years of age that are living with a disability, it is expected that the Community Liaisons program should reflect this target population within its own corps. By reflecting the community which it seeks to serve, the Community Liaisons program helps create a more familiar and empathetic environment for those accessing services.

Services to be Provided

Grantee will administer all aspects of the DAAS Benefits and Resource Hub Community Liaisons program including program coordination, site coordination for Community Liaisons, and the recruitment, training, and employment of Community Liaisons. Grantee will coordinate with DAAS supervisory staff on-site at 2 Gough in order to most effectively staff and utilize the Community Liaisons.

Core functions of Community Liaisons position:

- Ensure excellent customer service by engaging all Customers with courtesy, respect, and consideration
- Listen to Customers' needs and monitor for any language and/or functional needs
- Assist Customers waiting in lobby as needed
- Report to Lobby Supervisor; inform Lobby Supervisor when uncertain questions or situations arise
- Request assistance from Building Security as needed
- Help make people feel comfortable

- Survey Customers regarding their experience
- Perform outreach
- Distribute handouts, maps
- Provide directions to other service providers
- Provide end of day closing functions including checking public areas for Customers; cleaning, closing, and returning technology and other devices
- Other duties as assigned

Services are delivered at the DAAS Benefits and Resource Hub, located at 2 Gough Street, San Francisco, CA 94103. Regular business hours are Monday through Friday, 8 am – 5 pm.
