

DUE PROCESS

FILING A COMPLAINT/REQUESTING A HEARING

Complaint:

Anytime during the Resource Family Application (RFA) process, you have the right to speak with a supervisor if you have concerns. It is our intent to provide excellent customer service, to be transparent in our work, and to respond to you timely and respectfully.

Requesting a Hearing:

In the event that an action has been taken on your RFA application that you do not agree with, you can request a hearing. Hearings cannot be requested for placement decisions. You will receive a Notice of Action (NOA) explaining the reasons for the denial. Included in the NOA are instructions on how to request a hearing. The hearing is intended to give you an opportunity to discuss the evidence with a third party hearing officer not associated with negative action on the RFA application. If you do not want to attend alone, you can bring a friend or someone else with you, including a representative or attorney.

The hearing officer will review all the evidence, including your testimony and the testimony of the county, at the hearing, and make a decision.
